COUNTY ACTION REQUESTED ON: Abandonment of a Portion of Morning Bird Drive

HISTORY, FACTS AND ISSUES: On October 10, 2017, the Lowndes County Board of Commissioners determined that a portion of Morning Bird Drive has ceased to be used by the public to the extent that no substantial public purpose is served by it or that its removal from the county road system is otherwise in the best public interest. As required by Georgia statute, each adjoining property owner was notified by certified mail of the intent and public hearing. The public hearing was also advertised in the *Valdosta Daily Times*.
