COUNTY ACTION REQUESTED ON: Purchase of Server Load Balancer and Support

HISTORY, FACTS, AND ISSUES: The request is for two Array Networks Load-Balancing servers. The servers are required for the Tyler New World and Tyler Odyssey deployments. The servers will provide redundancy and increased performance. The load-balancers will also be utilized to provide the same benefits for future deployments of exchange email servers, and additional software products as warranted. The quote includes the two load balancers and three years of support.
