LOWNDES COUNTY BOARD OF COMMISSIONERS
AGENDA ITEM

SUBJECT: Rezoning Case REZ-2019-04

DATE OF MEETING: March 12th 2019

BUDGET IMPACT:

Regular Meeting (x)
Work Session (x)
Recommendation (x)
Policy/Discussion ()
Report ()

FUNDING SOURCE:

() Annual () SPLOST () Capital (X) N/A

ACTION REQUESTED ON:

REZ-2019-04 SEFL, Valdosta, 2120 West Hill Ave.
C-H/R-1 to M-2, Water/Sewer, ~18.96 acres

HISTORY, FACTS AND ISSUES:

This request represents a change in zoning of approximately 18.96 acres, contained on 2 parcels from C-H (Highway Commercial) and R-1 (Low Density Residential) to M-2 (Heavy Manufacturing). The current zoning and approximate acreage is as follows: Residential (R-1 ~1 acre), Highway Commercial (C-H - ~17.96 acres). The motivation for this request is to accommodate the expansion of a well-established truck terminal for freight. Access to and from the subject properties is off of West Hill Avenue (GA Hwy 84 W.), a Principal arterial road. This section of West Hill Avenue (US Hwy 84 W.) is a State maintained arterial road¹. Concerning future plans, the subject property is within the Urban Service Area and depicted as a Community Activity Center on the Character Area Map. M-2 zoning is not listed as a permitted zoning within a Community Activity Center.

In addition to the above information the following factors should also be considered: 1) The applicant has operated at this location for approximately thirty (30) years with no formal complaints registered with Lowndes County, 2) the existing M-2 zoning nearby, 3) the proximity to I-75, 4) the economic development factors associated with the request (Investment in community and economy, expectation of additional jobs, etc.), 5) applicant is an existing water and sewer services customer, 6) the noise associated with the expected operation of the facility, 7) the increase in truck and vehicular traffic, and 8) the other potential operations capable of utilizing the M-2 zoning classification.

The TRC considered this request. Zoning found this request inconsistent with the Comprehensive Plan. There were no other objectionable comments.

Staff found the request overall consistent with the Goals and Policies of the Comprehensive Plan, however, inconsistent with the Character Area Map and offers the following condition: The use of the property shall be limited to the principal use of a terminal for freight by truck and accessory uses incidental and subordinate to such a facility.

The GLPC heard this request at their February regular meeting and recommended for its approval with the condition offered by Staff by a 7-0 vote. For reference, the applicant's agent was present to answer any questions and no one spoke against the request at the public hearing.

¹ Typical traffic flow capacity of an arterial road is greater than 6,000 AADT. Per the GDOT Annual Average Daily Traffic (AADT) is the average number of vehicles that pass by a counter during a 24-hour period in a certain year.
<http://www.dot.ga.gov/informationcenter/statistics/Documents/AADTDefinitions.pdf>

COMMISSION AGENDA ITEM

SUBJECT: Basic Decorative Street Lighting District – Phase 3C of Creekside West (GA Hwy 122), Phase 2 of Knights Landing (Bemiss Knights Academy Rd.), Phase 5 of Cypress Lakes (Loch Laurel Rd.), and Additional lots in Walker Run

DATE OF MEETING: March 12th 2019

BUDGET IMPACT:

Regular Meeting (x)
Work Session (x)
Recommendation (x)
Policy/Discussion ()
Report ()

FUNDING SOURCE:

() Annual () SPLOST
() Capital
(x) N/A

ACTION REQUESTED ON: Addition to Basic Decorative Lighting District: Creekside West, Phase 3C, GA Hwy 122, 18 lots, Knights Landing, Phase 2, Bemiss Knights Academy Rd., 49 lots, Cypress Lakes, Phase 5, Loch Laurel Rd., 21 lots, and 30 lots in Walker Run

HISTORY, FACTS AND ISSUES:

This request concerns Petitions to add 18 lots of Phase 3C of the Creekside West Subdivision, 49 lots of Phase 2 of the Knights Landing Subdivision, 21 lots of Phase 5 of the Cypress Lakes Subdivision, and 30 lots of the Walker Run Subdivision into the County's basic decorative street lighting district under the Street Lighting Ordinance. For reference, staff has verified that the Petition is ready for LCBOC consideration, including verifying at least 2/3 of the owners' signatures for the proposed lot additions have been obtained, testing the financial solvency of the addition. Additionally, notice for the proposed district has been advertised in the VDT and signs have been posted to advertise the public hearing on the Petition. The current charges for the basic decorative street lighting district is \$61.50 per lot per year. Staff recommends adding these portions of Creekside West, Knights Landing, Cypress Lakes and Walker Run Subdivision into the County's basic decorative street lighting district through approval of the attached amendment to the current Street Lighting Ordinance.

COUNTY ACTION REQUESTED ON: Public use on a county road

HISTORY, FACTS AND ISSUES: On February 12, 2019, the Lowndes County Board of Commissioners determined Doyle Kelly Road has ceased to be used by the public to the extent that no substantial public purpose is served by it and that its removal from the county road system is otherwise in the best public interest. As required by Georgia statute, each adjoining property owner was notified by certified mail of the intent and public hearing. The public hearing was also advertised in the *Valdosta Daily Times*.

COUNTY ACTION REQUESTED ON: Purchase of Real Property at 910 N. Patterson St.

HISTORY, FACTS AND ISSUES: The County wishes to purchase the real property ("Property") formerly utilized by the Coleman Talley law firm at 910 N. Patterson St. from Coleman Talley's affiliate, Law Firm Properties, LLC, pursuant to the attached Commercial Purchase & Sale Agreement (the "Purchase Agreement"). Once acquired, the Property will be utilized by the Public Defender. The Agreement has been executed. The Commission needs to authorize and approve the County's purchase of the Property and approve, adopt, and ratify the Chairman's execution and delivery of the Agreement.

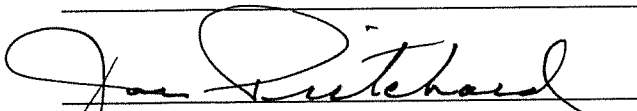

- OPTIONS: 1. Authorize and approve the County's purchase of the Property and approve, adopt, and ratify the Chairman's execution and delivery of the Agreement.
2. Redirect

RECOMMENDED ACTION: Authorize and approve the County's purchase of the Property and approve, adopt, and ratify the Chairman's execution and delivery of the Agreement.

COUNTY ACTION REQUESTED ON: North Lowndes Spring Creek Utility Inter-connection Project
Phase II

HISTORY, FACTS AND ISSUES: The Lowndes County Utilities Department requested bids for the North Lowndes Spring Creek Utility Inter-connection Project phase II. This project will consist of installing a 16" water main to connect the North Lowndes water system to the Spring Creek Water system and will include the relocation of a booster pump station to ensure adequate flow and pressure to the Bemiss area. Attached is a copy of the bid tabulation sheet, notice of award and associated contract.

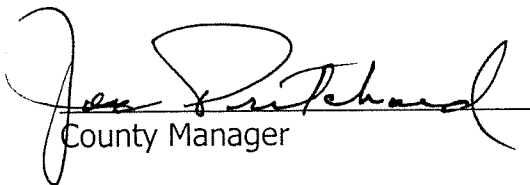

- OPTIONS: 1. Award Contract to Legacy Water Group, LLC for \$3,889,825.23 and authorize Chairman to sign.
