COUNTY ACTION REQUESTED ON: GEFA Loan Application

HISTORY, FACTS AND ISSUES: This is a contract for engineering services with Cater & Sloope Inc. for sanitary sewer system improvements. Lowndes County received a GEFA loan for \$1,734,000.00 for these improvements. Carter & Sloope has proposed to provide the engineering services for this project for \$130,000.00 which is 7.5% of the total construction costs.

Lowndes County has identified several sanitary sewer improvements to include the removal of sludge from the aeration basin, installing solar powered mixers in the holding pond, installation of a second screening structure, and the rehabilitation of several lift stations and manholes within the system.

OPTIONS: 1. Authorize the Chairman to sign the contract.  
2. Board's Pleasure.

RECOMMENDED ACTION: Option 1.
