COUNTY ACTION REQUESTED ON: Public Safety Information Technology Purchase

HISTORY, FACTS AND ISSUES:

Request for the purchase of Public Safety software, hardware and services. This request will affect/enhance LCSO Law Enforcement and Jail Records Management, Law Enforcement Mobile/in Car, Fire and EMS Mobile, Electronic Citations, E911 CAD and Civil Service of warrants etc. This purchase includes an interface of Public Safety Software with courts from go live and within the next 3-5 years a fully integrated suite.

The software from this service will be made available to the police and fire departments of the Cities of Valdosta, Hahira, Remerton, and Lake Park, Echols County, and to the police departments of VSU, Lanier County and City of Lakeland. If they desire to adopt it.

This item also includes a budget of \$235,000.00, for the hardware, support software, and storage required to support this suite, as well as a 10% contingency.
