COUNTY ACTION REQUESTED ON: Abandonment of Portions of Old Lake Park Road and Hickory Grove Road SE

HISTORY, FACTS AND ISSUES: On September 27, 2017, the Lowndes County Board of Commissioners determined that a portion of Old Lake Park Road, from its intersection with Zipperer Road and to the south approximately 1.70 miles, and a portion of Hickory Grove Road SE, from its intersection with Old Lake Park Road to its intersection with Bradford Road, the length being approximately 1.53 miles long, have ceased to be used by the public to the extent that no substantial public purpose is served by them or that their removal from the county road system is otherwise in the best public interest. As required by Georgia statute, each adjoining property owner was notified by certified mail of the intent and public hearing. The public hearing was also advertised in the *Valdosta Daily Times*.
