COUNTY ACTION REQUESTED ON: Tyler Technologies Electronic Filing Participation Agreement

HISTORY, FACTS AND ISSUES: This is a request for the County to contract with Tyler Technologies for certain software, services and information technology for electronic filing of court documents in Lowndes County courts. Lowndes County will contract under a master agreement between Gwinnett County and Tyler Technologies. By contracting under this master agreement, the cost per filing transaction will be decreased thus passing the savings onto the customers. This contract involves zero cost to the County. All fees paid to Tyler Technologies will be paid from customers' filing fees. Those filing fees will be processed under a related Merchant Payment Card Processing Agreement with Tyler Technologies.
