COUNTY ACTION REQUESTED ON: Professional Surveying, Permitting, and Engineering Services for North Lowndes and Spring Creek Interconnection

---

HISTORY, FACTS, AND ISSUES: Lovell Engineering has submitted a design services proposal to complete the interconnection between North Lowndes and Spring Creek water systems. This proposal includes the surveying, environmental/special conditions permitting, and engineering services. This project will extend the 12" water main from Stafford Wright Road to Val-Del Road. Staff recommends the Board of Commissioners approve the design services proposal for the North Lowndes / Spring Creek interconnection from Lovell Engineering.

OPTIONS: 1. Approve the design services proposal for the North Lowndes / Spring Creek interconnection from Lovell Engineering  
2. Board's Pleasure

RECOMMENDED ACTION: Approve the design services proposal for the North Lowndes / Spring Creek interconnection from Lovell Engineering

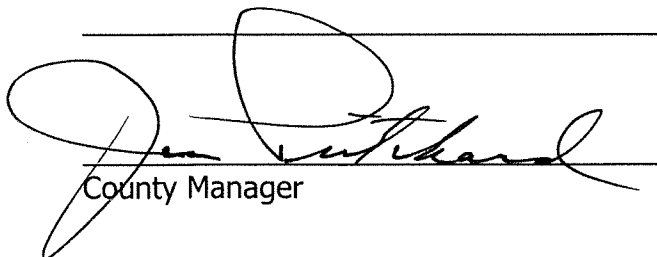

DEPARTMENT: Utilities

Department Head: Steve Stalvey
