COUNTY ACTION REQUESTED ON: Rename a Portion of Sara Road

---

HISTORY, FACTS AND ISSUES: On June 6, 2020, staff received a petition from the property owners along Sara Road requesting a name change. The new name requested is Harper's Lane. With the development of Glen Laurel Subdivision and Barrington Subdivision, a portion of Sara Road is paved and gated from the remaining section of Sara Road. The remaining section that was not incorporated into the subdivisions is the section being requested to be renamed. With two sections of Sara road being separated by a gate, this has caused issues to deliveries and could potentially cause a problem for 911/EMS Services. We have advertised for this public hearing in the Valdosta Daily Times once a week for two weeks. Attached is a Resolution affecting this change.

OPTIONS: 1. Rename a portion of Sara Road to Harper's Lane
