

RECYCLING CENTER LOCATIONS

To better serve you, Lowndes County provides collection sites for its citizens to dispose of recyclable and non-recyclable household garbage and yard trimmings from their residences. Effective immediately, the collection sites will no longer accept any materials discarded from the repair, renovation or remodeling of a structure.

Questions regarding materials that can be deposited at Lowndes County's collection sites may be directed to Lowndes County Public Works, at 229-671-2700 between 8:00 a.m. and 5:00 p.m., Monday through Friday. Thank you in advance for your cooperation.
